

#### **The Maker Promise**

In March 2016, as part of President Obama's Nation of Makers Initiative, Digital Promise and Maker Ed issued a call-to-action to school and district leaders around the country to sign the Maker Promise, a concrete commitment by schools to dedicate a space for making, designate a champion for making, and display what students make.

In advance of the National Week of Making in June 2016, we are thrilled to announce that the following schools have signed the Maker Promise:

#### Alaska

Baranof Elementary School	Sitka School District	Sitka	AK
